Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Friday 17 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Chilly, with some mist patches, and fog possible. Cloudy Saturday.

This Evening and Tonight:
A dry night with variable amounts of cloud. Where skies clear some mist patches could form, with the risk of some inland fog patches developing, especially where winds becoming light. Brisk winds likely along coastal parts, however. Minimum temperature 4 deg C (39 deg F).

Saturday:
Generally dull, with any mist and fog clearing through the morning. Staying rather cloudy, although some brighter spells possible towards eastern coasts. Chilly, with a brisk breeze persisting along coasts. Maximum temperature 7 deg C (45 deg F).

Outlook for Sunday to Tuesday:
Further fog for a time Sunday, but otherwise generally cloudy. Turning brighter with an increasing chance of sunny spells Monday and Tuesday but feeling cold. A few coastal showers possible.
